1930 Wednesday, November 12

Population:	77,557
Eligible Voters:	41,962
Ballots Cast:	13,869
Voter Turnout:	33.0%

This was the first civic election to be held in November. Up to this point, elections occurred on the second Monday in December. The change was mainly brought on by the belief of civic authorities that a larger proportion of the city's population would vote in an election held in the not so cold November weather.
