This guide provides information on how to locate opportunities from the City of Edmonton on SAP Business Network Discovery. SAP Business Network Discovery is SAP's tool to match corporate and business buyers and sellers. It provides one location for the City of Edmonton to advertise all current and future sourcing opportunities.

There are two options for viewing the City's SAP Business Network Discovery postings:

Option 1: is through a listing of all of the City's current and closed SAP Business Network Discovery postings.

Option 2: is a targeted search for City of Edmonton opportunities that can be filtered based on commodity, search term etc.

Option 1: View the City of Edmonton’s Public SAP Ariba Profile

Step 1: View the City’s SAP Business Network Discovery Profile

Navigate to <http://discovery.ariba.com/profile/AN01394774623>, scroll to the bottom of the page to view the City’s current and closed SAP Business Network Ariba Discovery postings. Click on the opportunity name to obtain more information about the event.

The information listed in this view includes:

- **Posted:** Indicates the date at which the opportunity was posted
- **Closes:** Indicates the final date and time to respond to the opportunity
- **Closed:** indicates the opportunity has been closed and is being evaluated
- **Opportunity Amount:** Indicates an estimated award amount for the opportunity

 **Note** A SAP Ariba Network Supplier Account is not required to view postings using this option.

Step 2: Click on Respond to Posting

Click **Respond to Posting** to enter into the Sourcing Event. If you have issues accessing a sourcing event posting, please refer to the [SAP Ariba Additional Help and Resources](#) document.
