

THE WAY AHEAD

TRANSFORMING | EDMONTON

BRINGING OUR CITY VISION TO LIFE

Seniors' Housing in Sakaw

Design Consultation - Sept. 11, 2014

The City of Edmonton and our development partner, Greater Edmonton Foundation (GEF Seniors Housing), have incorporated your input from the community meeting held in May, and want you to help us further refine the design.

Come out and influence how a new seniors' residence on a surplus school site will fit in and contribute to your community.

Meeting Details

Thursday, September 11, 2014

7:30 PM - 9:00 PM

Millhurst Community League

5811 - 19A Ave NW, Edmonton

This event is open to the public and will be an opportunity to view and provide your feedback on the preliminary architectural designs created for this site in Sakaw.

Meeting Format

We will start the evening with a short presentation, then move into small groups, where we hope you can help us answer a few questions:

- How can the facility interact and engage with the community?
- What do you like about the designs?
- What suggestions do you have to improve the designs?

We will have knowledgeable staff on hand to answer your questions about the project and next steps.

About Our Development Partner

Greater Edmonton Foundation (GEF Seniors Housing) is the largest not-for-profit seniors housing organization in Alberta. Founded in 1959, we provide friendly, affordable, secure housing and services to more than 3,100 seniors in Edmonton. With the help of our employees, volunteers and donors, we make a difference in the community and give peace of mind to seniors and their families.

Vision

Positively influencing seniors' quality of life.

Mission

Leaders in friendly, affordable, secure housing and services for seniors.
