

Construction Notice – Capital Line South LRT – Early Works

Beginning on or around **June 17 until June 22**, Ledcor will be conducting investigative geotechnical drilling within the Blackmud Creek Ravine. A total of six boreholes will be drilled, which will not permanently impact the area. Landscaping will be fully restored upon completion of the work.

What to Expect:

Drivers & Transit:

- The southbound right hand traffic lane across Blackmud Creek Ravine will be temporarily closed and traffic will be reduced to one lane (photo below).
- The shared-use path across Blackmud Creek Ravine will also be temporarily closed. Pedestrians and cyclists will be detoured to the closed southbound traffic lane.

Other Impacts:

- Work will be performed during daytime hours (between 7 a.m. and 6 p.m.)
- There may be some noise associated with the work. Every effort will be made to reduce the impact to the public.

This work is expected to last approximately one week.
