

50 Street Widening–CP Railway Grade Separation Drainage Work

Upcoming work on the drainage systems on 90A Avenue is scheduled to begin the week of July 24 and will be completed in mid-August. This work is required to support the ongoing construction of the project. The intersection will be closed for the duration of the work. Traffic can use the intersections at 91 Avenue or 90 Avenue during this closure. For more information, please see the attached maps below.
