### Interest Points:

- There is some interest to have uniformed personnel speak at schools on why they joined the military, which would feed into both a retention and providing insight into the opportunities within the military.
- Future Community Relations (COMREL) events, such as Freedom of the city parades and the like will be looked at in the future to support the Recruitment and Attraction components of reconstitution.

Edmonton Salutes Committee  
Attn: Chair Brian Hodgson

Dear Mr. Hodgson:

At Council's Organizational Meeting held on October 25, 2022, Council directed Administration to contact the Edmonton Salutes Committee indicating Council's desire to rejoin the committee. Council's previous participation on Edmonton Salutes includes:

Paul Krauskopf (2012-2013); Nicole Boutestein (2014-2015); Barry Turner (2015-2017); and Lawrence Giffin (2017-2019).

Morinville is home to hundreds of military families and we have a proud history of recognizing them. Earlier this year, the Rotary Club of Morinville Sturgeon unveiled the LAV III Monument at the Morinville Leisure Centre. This Monument gives local and regional communities a permanent memorial they can visit year around to honour the many sacrifices that members of the Canadian Armed Forces have made while protecting and defending Canada. In 2018 we renewed and celebrated Freedom of the City with 1 Service Battalion and look forward to fostering that relationship.

Please accept this as formal notice of Council's wish to rejoin the committee. Thank you for your consideration and look forward to hearing from you.

Best regards,

Naleen Narayan

Chief Administrative Officer

Cc: Morinville Council
