Building a Project Vision Together and Exploring Opportunities Engagement Summary

Overlanders and Homesteader Neighbourhood Renewal

CREATE REFINE

Building Great Neighbourhoods organized the following activities to engage Overlanders and Homesteader community members to CREATE a Vision and Guiding Principles, and to gather local knowledge to explore opportunities for Neighbourhood Renewal.

Community Events

+ Residents were invited to attend community workshops hosted by the City of Edmonton on November 29, 2022, and December 5, 2022, at St. Maria Goretti School.

+ Participants were asked to share what they love about their community and what areas could be improved, such as adding missing sidewalk connections, creating new shared pathways and improving traffic safety along roadways.

+ Participants worked with Project Team members using stickers and drawing on maps of the neighbourhood to use local knowledge to identify specific locations for improvements.
