

Engagement Summary

Boyle Street and McCauley Neighbourhood Renewal
July 2022

ADVISE

Community Feedback on Final Design

From June 16 – 30, 2022 the public was invited to participate in online engagement opportunities to provide feedback on the final design for the Boyle Street and McCauley Neighbourhood Renewal.

Live online event

Residents were invited to participate in two live online events on June 22 and June 23, 2022 to explore the final design for Boyle Street and McCauley's renewal. The Project Team presented an overview of the final design for each neighbourhood and answered questions submitted by participants.

23 total participants

Surveys

An online survey was available to the public from June 16 to June 30, 2022, asking residents to share feedback on the final design for Boyle Street and McCauley.

35 survey participants

How we communicated

- + 1130 letters sent to property owners
- + 9213 mailed project newsletters
