

# Engagement Summary

Bannerman/Fraser/Kirkness Alley Renewal  
June 2022

REFINE

## Survey

- + An online survey was available to the public from May 2 to May 23, 2022, asking residents to share feedback for Bannerman/Fraser/Kirkness Alley Renewal

---

**16 survey participants**

---

## What we heard

Common themes among the feedback collected include:

- + Residents are concerned about drainage, water pooling and potholes
- + Heavy trucks traveling through the alleys are impacting the pavement
- + Some residents are concerned about shortcutting and speeding in alleys

“*Seriously degraded/broken asphalt. Very soft under the alley – in spring you can feel the asphalt move when you walk/drive on it*”

## How we communicated

- + Letters sent to residents and property owners whose properties access alleys in Bannerman, Fraser and Kirkness
