

Construction Notice

Utility relocations at 9 Avenue/111 Street intersection

Beginning **on/around October 7**, EPCOR Water will begin utility relocations at the 9 Avenue and 111 Street intersection. This work is expected to take approximately **three weeks** and will occur during daytime hours.

What to expect:

- Lane closures of the westbound lanes on 9 Avenue both east and west of 111 Street. Two-way traffic will be maintained in the remaining open lanes.
- Closure of one northbound lane on 111 Street north of 9 Avenue.
- Temporary closure of the bus stop at the northeast corner of the intersection.
