BOOKING A TRIP

Traveling with mobility aids and children

All On Demand Transit shuttles are **fully accessible** and are **equipped with two built-in child safety seats**. Please identify at the time of booking if you require space for a wheelchair, mobility scooter, walker or stroller, or require the use of a child safety seat. If your child weighs less than 20 pounds/9 kilograms, you must bring an infant carrier.

Arrive on time

Look for the bus ID number (located above the door, driver window, rear door and front windshield) at your pick-up spot to make sure you board the right vehicle. Buses may wait for you for up to one minute if you are not there. Your bus arrival time will be provided to you when you book. If you need to cancel your trip, please call 780-496-2400 at least 20 minutes before your scheduled pick up.
