

Welcome!

Project Overview:

A new Kindergarten to Grade 9 Edmonton Public School is being built in Edgemont and is planned to be open in September 2027. The City of Edmonton is developing the park site so it will be ready for the opening of the school.

Project Timeline:

- + Park design – 2024
- + Construction – 2025 to 2026
- + Park opening – spring 2027
- + School opening – fall 2027

How are we gathering ideas for developing Edgemont Park?

- + Meetings with the Edgemont Community League, Brookfield Developments, Edmonton Public School Board and the school project team
- + Engagement with the public:
 - This public event and one in the fall 2024
 - Online and paper surveys available June 17 to July 5, 2024

In this phase of engagement you will:

- + Learn about the project and the process that goes into designing Edgemont Park
- + Share your ideas on elements of the park
- + Tell us what type of activities are most important to include in Edgemont Park

Design Considerations

The project involves base-level development for Edgemont Park, which includes:

- + Grading and grass seeding of the entire park site
- + Identifying the future Community League License Area for community-led projects
- + Sports fields for uses by the community and the public school
- + A new playground and gathering area with benches and picnic tables
- + Trail connections
- + Tree planting and landscaping

Other design considerations:

- + Edmonton Public School Boards requirements for a Kindergarten to Grade 9 school
- + Community League License Area standards
- + Site constraints, including: school lot size, utility servicing, site grading, access points for people walking, wheeling, and cycling and neighbouring properties
- + Safety (Crime Prevention Through Environmental Design)
- + Accessibility and inclusivity for people of all ages and abilities
- + Environmental sustainability and climate resiliency

Opportunities and Constraints

The development of Edgemont Park must consider a number of factors. This Plan shows some opportunities for design, as well as some constraints that must be addressed.

Draft Preliminary Concept

The Draft Preliminary Concept shows the potential of the park to provide elements for the community and school to enjoy. Not every element shown on the plan may be provided, based on available budget, technical design requirements and the needs of the City District.

Draft Preliminary Concept Alternate Approach

Option 2 of the Draft Preliminary Concept shows a **different approach to the playground and surrounding area**. The 36m x 30m soccer field is removed to reduce the steepness of the slope to the east and provide additional open lawn area. The playground is adjusted to provide two separate play spaces.

Playground

Two approaches are shown for the playground and surrounding area. The Draft Preliminary Concept provides a single play space and a U8 - U9 soccer field, while the Alternate Approach shows two smaller play spaces and flexible open lawn area instead of the soccer field. Let us know which option you prefer, and why.

Draft Preliminary Concept

Draft Alternate Approach

Add a dot next to the park you prefer and use a sticky note to add a comment

I prefer the Preliminary Concept	
I prefer the Alternate Approach	
I like both options	
I do not like either option	
No opinion

Gathering and Green Spaces

The park will include areas for people to gather and enjoy the green space.

Place a provided sticky dot next to the activities you would like to do within the park and use a sticky note to add a comment.

Picnic with relatives and friends	
Barbecue with relatives and friends	
Relax in a natural area	
Attend performance events (e.g. live music)	
Exercise with outdoor gym equipment	
Walking in all seasons	
Sledding in winter	
Walk my dog	
Other (please add a sticky note)	
No preference

Thank you!

Next Steps:

- + The Project Team will consider your ideas and feedback as the concept design is developed for Edgemont Park
- + The Project Team will share the final design in another engagement event in fall 2024
- + Construction is set to begin in 2025 in time for the school to open in 2027

We encourage you to:

- + Provide your input before July 5, 2024 online at edmonton.ca/EdgemontPark
- + Contact the Project Team with any questions and concerns about the project or engagement process at EdgemontCommunityPark@edmonton.ca
