

# NEIGHBOURING for Climate

A toolkit to inspire climate action with your neighbours!

## Is Neighbouring for Climate right for you?

Go through the checklist below either on your own or with your neighbours. Answer the questions based on where you feel you are in your climate action journey and your level of knowledge. Check all that apply.

- Do you want to get to know your neighbours better?
- Do you find climate change overwhelming?
- Do you want to be more prepared in case of emergencies?
- Do you want to share your climate change knowledge with others?
- Do you want to take action on climate change but need help figuring out where to start?
- Are your neighbours interested in working together to improve your area?
- Do you want simple, easy-to-follow tips for reducing climate impact?
- Do you want to participate in local, group activities?
- Are you interested in learning new skills?
- Are you looking for fun and social ways to engage in climate action and emergency preparedness?

If you selected 3 or more prompts from the list, this program is right for you!

If you don't already have a toolkit or don't know how to get started, please email [changeformclimate@edmonton.ca](mailto:changeformclimate@edmonton.ca) for more information.
