

Reporting Flammable or Combustible Liquid Spills

STOP! Have you called 911?

Please note this is specifically for flammable liquids and/or combustible liquids with a total spill of greater than 200 litres inside the City of Edmonton boundaries.

Other spills may require reporting. Contact Alberta Environment and Protected Areas at 1-800-222-6514 or 780-422-4505. Additional assistance may be available by calling 311 for information about the City of Edmonton's requirements.

Please provide¹:

- The location and time of the release
- A description of the circumstances leading to the release
- The type and quantity of substance released
- The details of any action proposed or taken at the release site
- A description of the immediate surrounding area
- Has this spill been reported to Alberta Environment and Protected Areas and if applicable, provide the reference no.
