A big thank you to all of our participating merchants in our 2024 Holiday Gift Guide!

Welcome to the Stony Plain Road Business Associations' second-annual Holiday Gift Guide!

We envisioned this guide to help you explore and discover great holiday gifts and suggestions to help you shop locally and support our local economy.

Over the past four years our business district has learned lots about the local economy. The pandemic helped us learn how to pivot and better serve our clients and customers better; it helped us understand that delivery, pick up zones and having a stronger online

presence helped our customers pre-shop and be more targeted. The past three years of construction has helped us better market ourselves and the customer experience as paramount.

Considering all that has changed since the pandemic, consumers have learned the importance of having local services and businesses in our neighbourhoods. Shopping locally provides you the power to curate the community you want to be part of.

This guide contains some 65 businesses and services within the

Stony Plain Road (SPR) area. Overall our district contains 560 unique businesses and we hope this guide will, well, guide you to easy ways to bring joy to others in your life and some authentic experiences for yourself, too.

On behalf of our businesses, Board, and staff, we wish you light, prosperity, and hope during the holiday season and into 2025.

Todd Janes,
Executive Director
Stony Plain Road
Business Association
