

YELLOWHEAD TRAIL

FREEWAY CONVERSION PROGRAM

Construction Bulletin

Fort Road Widening

November 25, 2021

Project Overview

As part of the Yellowhead Trail Freeway Conversion Program, the City of Edmonton is widening Fort Road from four lanes to six lanes, which includes reconstructing the existing CN Rail bridge structure to accommodate the widened roadway. The project also includes the construction of an industrial collector road from Fort Road to Yellowhead Trail (at 61 Street).

Purpose of Bulletin

To provide awareness that **Fort Road will reopen** to traffic on or around **Monday, November 29, 2021**.

The next planned closure of Fort Road is tentatively scheduled for February/March 2022.

Current or Upcoming Construction Activities

Construction activities through the winter months include:

- ongoing drainage infrastructure installation
- preparations for the installation of the temporary rail bridge structures over Fort Road.

Updated Traffic Accommodation (Map attached)

- Fort Road is being reopened to single lane traffic under the CN rail bridge, including a pedestrian walkway.
- 66 Street will reopen to northbound and southbound traffic from Yellowhead Trail to Fort Road.
- The new 125 Avenue will be closed between Fort Road and 66 Street.
- Access for business will be maintained at all times.
- Emergency access will be maintained at all times.
- No parking will be permitted in signed areas during construction.

Be Safe

In addition to strict health and safety precautions, we are taking extra steps with our contractors to ensure all work follows the most recent COVID-19 guidelines set by Alberta Health Services. Please exercise caution and be safe when near our work sites.
