

EASTWOOD and ELMWOOD PARK Neighbourhood Renewal PROJECT OVERVIEW

Edmonton

FEBRUARY 2020

BUILDING GREAT NEIGHBOURHOODS AND OPEN SPACES

BUILDING EASTWOOD and ELMWOOD PARK

Beginning in spring 2020, Eastwood and Elmwood Park will be experiencing Neighbourhood Renewal. Through the City of Edmonton's Building Great Neighbourhoods and Open Spaces branch, the Neighbourhood Renewal program will rehabilitate roads, replace street lights, curb and gutters, repair sidewalks and connect missing sidewalk links where possible in Eastwood and Elmwood Park.

Opportunities to improve parks and public spaces have also been explored.

Planning and design for renewal are complete. Based on the previous feedback collected through public engagement events and surveys since December 2018, a final neighbourhood design has been prepared.

During this stage of the project, we are presenting:

- Final designs for the neighbourhoods;
- details and information about the construction process;
- information about cost-sharing opportunities made available through the Local Improvement process for sidewalk reconstruction and decorative street light upgrades.

Get involved and help us improve Eastwood and Elmwood Park.
