

# EASTWOOD and ELMWOOD PARK Neighbourhood Renewal PROJECT OVERVIEW

Edmonton

OCTOBER/NOVEMBER 2019

## BUILDING GREAT NEIGHBOURHOODS AND OPEN SPACES

# BUILDING EASTWOOD and ELMWOOD PARK

Beginning in Spring 2020, Eastwood and Elmwood Park will experience Neighbourhood Renewal. Through the City of Edmonton's Building Great Neighbourhoods and Open Spaces branch, the Neighbourhood Renewal program will rehabilitate roads, replace street lights, curb and gutters, repair sidewalks, and connect missing sidewalk links where possible in Eastwood and Elmwood Park. Cost sharing opportunities will be made available through the Local Improvement process for sidewalk reconstruction and decorative street light upgrades in the neighbourhoods. Other opportunities to improve parks and public spaces will also be explored.

Planning for renewal is now nearing completion. Based on the feedback collected during the previous public engagement events and surveys since December 2018, a refined neighbourhood design has been prepared. Your feedback and perspectives on the refined design are important as we move toward finalizing the design and the scheduled 2020 construction start date.

The refined neighbourhood designs have been prepared to include:

- Walkways and connectivity
- Bike routes and infrastructure
- Traffic calming measures
- Ideas to enhance public parks and green spaces
- Opportunities to reflect the character and identity of Eastwood and Elmwood Park

**Get involved and help us improve Eastwood and Elmwood Park.**
