

Grandview Heights Neighbourhood Renewal PROJECT OVERVIEW

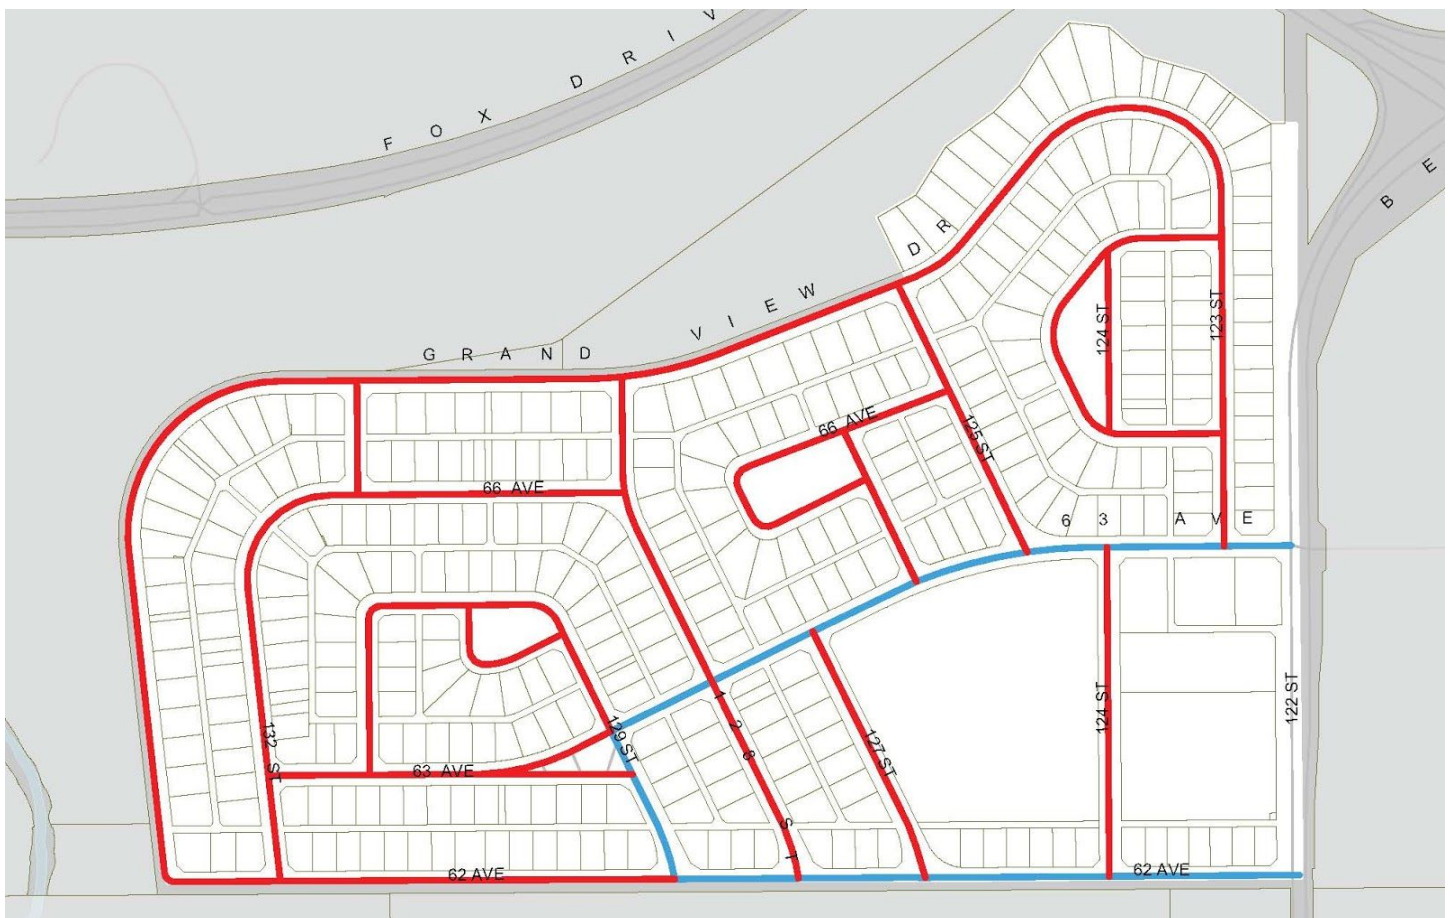

Edmonton

MAY 2019

BUILDING GREAT NEIGHBOURHOODS AND OPEN SPACES

BUILDING GRANDVIEW HEIGHTS

Grandview Heights has been chosen for the Neighbourhood Renewal program, beginning construction in spring 2020, with an anticipated completion in 2021. Through the City of Edmonton's **Building Great Neighbourhoods and Open Spaces** branch, the Neighbourhood Renewal program will rehabilitate roads, replace street lights, curb and gutters, repair sidewalks, and connect missing sidewalk links where possible in Grandview Heights. Cost sharing opportunities will be made available through the Local Improvement process for sidewalk reconstruction and decorative street light upgrades in the neighbourhoods. Other opportunities to improve parks and public spaces will also be explored.

Grandview Heights Neighbourhood Renewal PROJECT OVERVIEW

Edmonton

MAY 2019

WORKING TOGETHER TO MAKE THE MOST OUT OF YOUR NEIGHBOURHOOD

This is your city and your neighbourhood. We want to understand how you experience your neighbourhood and ask for your input on what we might do to make it better. We will engage and work with you on the renewal of roads, sidewalks, street lights, and park spaces, and promote other community opportunities to enhance how people live and interact in Grandview Heights. We commit to being open and transparent about how your input is used. Let's make the most out of your neighbourhood!

GET INVOLVED - EXPLORING OPTIONS AND TRADEOFFS

Now is the time to get involved, share your voice, and help us improve Grandview Heights. Share your thoughts on the benefits and tradeoffs for design options in your neighbourhood to help refine the draft concept designs.

We have created a road map (right) to help you understand the steps of the renewal process and how you can participate. At each step we will tell you what the purpose is and how your input will inform the decisions being made. We commit to report back on how we used your input.

DECORATIVE STREET LIGHTS

As part of the Grandview Heights neighbourhood renewal, standard street lights will be replaced. The cost of the standard street light is paid by the City. However, property owners have the opportunity to upgrade to decorative street lights. The upgrade from standard to decorative street lights is a community-initiated local improvement and carries an additional cost to property owners.

A community submission of a decorative lighting option for consideration will be required by July 2, 2019.

To learn more about this opportunity, please contact Chris.McMorran (Project Manager) at Chris.McMorran@edmonton.ca or visit edmonton.ca/LocallImprovements.
