

NORTHWEST LRT - CITY CENTRE REDEVELOPMENT

New traffic signals to accommodate LRT and turning vehicles

Generic road layout shown. Further development will be carried out by the CCR Team, which may include features such as pedestrian facilities and on-street parking.

New NAIT Station

Provides 5 Car LRT train station integrated with proposed City Centre Redevelopment

Temporary NAIT Station

TRANSIT ORIENTED DEVELOPMENT (TOD)
 At station locations, City policy supports transit oriented development, as specified in the TOD Guidelines or determined through a station area planning process.
