Dear Lindsey

At their meeting of September 21st, the Accreditation Commission reviewed the information you provided relative to your request for an extension to the existing variance held by the Edmonton Valley Zoo for the keeping of the single female Asian elephant, Lucy.

Based on an evaluation of the materials submitted the Commission approved the following motion:

Motion: to approve a one year extension to the variance for the Asian elephant Lucy subject to the provision of any medical updates to the Commission.

If you have any questions regarding any elements of the Commission's decision please do not hesitate to contact me.

Sincerely
