

# 66 STREET BOUNDARY ADJUSTMENT EDMONTON - STURGEON COUNTY JOINT OPEN HOUSE *YOU'RE INVITED.*

The City of Edmonton is proposing to annex approximately 16 hectares (40 acres) of land and road right-of-way adjacent to 66 Street, north of Anthony Henday Drive. This section of 66 Street provides access to the Edmonton Energy and Technology Park. Should the annexation application proceed, the City of Edmonton will assume the operation and maintenance of the road.

Edmonton City Council authorized their Administration to initiate the process and proceed with an application to annex land from Sturgeon County on September 23, 2014. Edmonton is working collaboratively with Sturgeon County to complete this boundary adjustment; it will include 66 Street and its right-of-way within the City of Edmonton's boundary.

**The open house will be an opportunity for you to learn more about the annexation proposal, provide your feedback, and speak with project team representatives from both municipalities.**
