RE: Tentative plan of subdivision to create one (1) additional single detached residential lot from Lot 43, Block 17, Plan 6773 MC, located north of 43 Avenue NW and east of 121 Street NW; **ASPEN GARDENS**

The Subdivision by Plan is **APPROVED** on August 16, 2018, subject to the following conditions:

1. that the owner obtain a permit to demolish the existing dwelling and garage prior to endorsement of the final plan. Demolition permits can be obtained from Development Services located on the 2nd floor of Edmonton Tower at 10111 - 104 Avenue NW;
2. that the final plan of survey shall conform to the attached revised tentative plan; and
3. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Enclosure I is an attachment of the major advisements throughout the subdivision process. Enclosure II is a map of the subdivision and identifies major conditions and advisements of this approval.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be seven (7) days from the date the decision is mailed.

If you have further questions, please contact Marco Beraldo at marco.beraldo@edmonton.ca or 780-496-6092.

Regards,

for Blair McDowell

Enclosures

Please be advised of the following:

Next Steps for Subdivision Approval

- The next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$662.00 - 2018 Fees Schedule) and subsequently released to the applicant for registration at the Land Titles Office.

Transportation

- There are existing boulevard trees adjacent to the site on 43 Avenue NW that must be protected during construction. For information about tree protection please refer to the City of Edmonton's web site (Trees and Construction).
- Access for future development must be to the adjacent alley in conformance with the Mature Neighbourhood Overlay Sec. 814.3(17) of the Zoning Bylaw #12800.
- There is an existing access to 43 Avenue NW. Upon redevelopment of proposed Lot 2, the existing residential access to 43 Avenue NW must be removed. The owner/applicant will be required to obtain a Permit to remove the access, available from Development and Zoning Services, 2nd Floor, 10111 - 104 Avenue NW.

Building / Site

- The owner shall ensure that any change in property boundaries does not cause any structures on site to become non-compliant with the Safety Codes Act and Alberta Building Code. Permits may be required for such changes. Please contact 311 for more information.

Servicing

- The owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Real Estate Division [Rights of Way] 780-508-2456), ATCO Gas (780-424-5222) and EPCOR Drainage Services (water and sewer servicing 780-496-5444).
- The existing services (water and sanitary) enter the proposed subdivision approximately 9.5 m east of the west property line of Lot 43 off of the lane. The existing storm service enters the proposed subdivision approximately 8.2 m east of the west property line of Lot 43 off 43 Avenue NW. As per the EPCOR Drainage Services Bylaw and the EPCOR Water Services and Wastewater Treatment Bylaw, these services cannot cross the proposed property line.
- There is an existing water main located within Lot 44U, Block 17, Plan 6773 MC, adjacent to the west property line of proposed Lot 2. Any party proposing construction involving ground disturbance to a depth exceeding 2.0 m within 5.0 m of the boundary of lands or right of way containing EPCOR Water facilities, is required to enter into a Facility Proximity Agreement with EPCOR Water, prior to performing the ground disturbance. Please contact waterlandadmin@epcor.com with your request or for more information.
- If power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan of survey (contact EPCOR Land Administration Group at 780-412-3252).

RE: Tentative plan of subdivision to create one (1) additional single detached residential lot from Lot 18, Block 27, Plan 4311 HW, located north of 107 Avenue NW and east of 130 Street NW;
WESTMOUNT

The Subdivision by Plan is REFUSED on August 16, 2018 for the following reasons:

1. The proposed subdivision does not comply with the minimum development regulations identified in Section 110.4(1)(b) of the City of Edmonton Zoning Bylaw 12800. The minimum site width identified in the (RF1) Single Detached Residential Zone for single detached housing is 7.5 metres. The site width of the proposed lots is 7.315 metres and is therefore deficient by 0.185 metres.
2. Bylaw 18050, which established a minimum site width of 7.5 metres for single detached housing in the RF1 Zone, was approved by City Council on June 12, 2017. At the same Public Hearing, City Council approved Bylaw 18058 which prevents site width measurements from being rounded up and limits a Development Officer's ability to vary site width for new single detached housing in the RF1 Zone.
3. Approval of the proposed subdivision would result in a non-standard lot incurring development hardship at the development permit application stage. Section 11.4(1)(c) of the City of Edmonton Zoning Bylaw 12800 prevents a Development Officer from granting variances for new single detached housing that is less than the RF1 Zone's minimum 7.5 metre width threshold. Future development permit applications would therefore be refused by the Development Officer.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be seven (7) days from the date the decision is mailed.
