RE: Tentative plan of subdivision to create an additional industrial lot from Lot 13D, Block 8, Plan 002 2266, located north of 116 Avenue NW and east of 149 Street NW; **HUFF BREMNER ESTATE INDUSTRIAL**

I The Subdivision by Plan is APPROVED on September 19, 2019, subject to the following conditions:

1. that the owner provide money in place of Municipal Reserve (MR), in the amount of \$390,568.75 representing 0.253 hectares (ha) pursuant to Section 666 and Section 667 of the Municipal Government Act;
2. that the owner enter into a Servicing Agreement with the City of Edmonton pursuant to Section 655 of the Municipal Government Act, for the payment of Drainage Assessments applicable to this subdivision;
3. that the owner make satisfactory arrangements with EPCOR Drainage Services for the provision of separate services (sanitary and storm) to the proposed western lot;
4. that the owner prepare the necessary easement in favour of EPCOR Distribution & Transmission Inc. as illustrated conceptually in Enclosure I; and
5. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Enclosure I is a map of the subdivision identifying major conditions of this approval.

A historical review of this property revealed that no Municipal Reserve (MR) has been provided. Thus, 0.253 ha (representing the maximum 10% eligible of the existing 2.53 ha parcel) has been applied to this subdivision in the form of money-in-lieu.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 - 103 Avenue NW,

Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be seven (7) days from the date the decision is mailed.

Next Steps for Subdivision Approval

- The next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. Servicing

- The owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services.
