

WHY 30?

Playground zones are in effect around schools and play areas throughout Edmonton. Motorists are required to slow down to 30 km/h between 7:30 a.m. and 9 p.m. (7:30–21:00) every day.

WHY IS IT IMPORTANT TO SLOW DOWN?

The lower speed limit protects our most vulnerable road users: **children**.

Stopping at **30** km/hr

approximately the length of three small cars

Stopping at **50** km/hr

approximately the length of six small cars

Playground zones should be safe zones.
